

Auto Generation of E-Way Bill from BUSY

Overview

Till now generation of E-Way Bill includes following steps:

Step 1: Enter Voucher and Generate JSON file directly from BUSY.

Step 2: Login to E-Way Bill Portal and upload JSON file to generate E-Way Bill No.

Step 3: Feed E-Way Bill No. under respective vouchers in BUSY.

Step 4: Print Invoice with E-Way Bill No.

This becomes a time consuming process. To simplify this process of generating E-Way Bill, BUSY has introduced *Auto Generation of E-Way Bill* option. With *Auto Generation of E-Way Bill* option, you can automatically generate E-Way Bill from BUSY at the time of saving the voucher. E-Way Bill No. will be then automatically updated in corresponding voucher and you can print invoice from there only.

Generate E-Way Bill Automatically

To generate E-Way Bill automatically from BUSY, following steps need to be followed:

Step 1: Configure Auto Generation of E-Way Bill

To configure *Auto Generation of E-Way Bill* go to: *Administration* → *Configuration* → *Features/Option* → *GST/VAT* tab. On clicking *GST/VAT* tab, a *GST/VAT* window appears. In *GST/VAT* window, specify 'Y' under *E-Way Bill Required* option and click *Configure* button. On clicking *Configure* button, an *E-Way Bill Configuration* window appears. Here we configure details related to E-Way Bill generation including auto generation.

Given below is the screenshot of *E-Way Bill Configuration* window.

Configure Auto Generation of E-Way Bill from here

GSP User ID and Password needs to be generated from E-Way Bill Portal as mentioned below in the document.

Auto Generation of E-Way Bill option is available in *Standard & Enterprise* editions only with an active *BUSY License Subscription*.

Specify following data for Auto Generation of E-Way Bill:

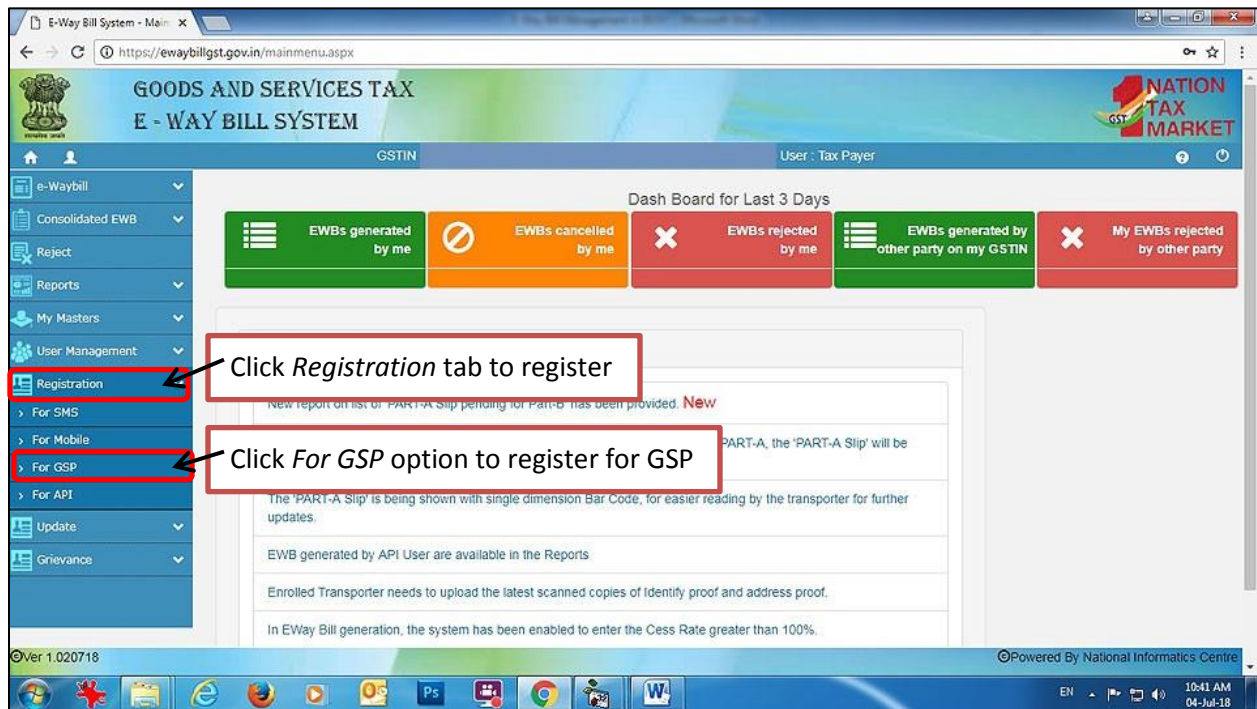

• **Auto Generation of E-Way Bill**

- **Enable Auto Generation of E-Way Bill** - Specify 'Y' in this data field if you want to generate E-Way Bill automatically from BUSY.
- **E-Way Bill GSP User ID** - Specify User ID of GSP which is created at the time of registering for GSP on E-Way Bill Portal. This User ID is different from E-Way Bill Portal login User ID.
- **E-Way Bill GSP Password** - Specify Password of GSP which is created at the time of registering for GSP on E-Way Bill Portal. This Password is different from E-Way Bill Portal login Password.

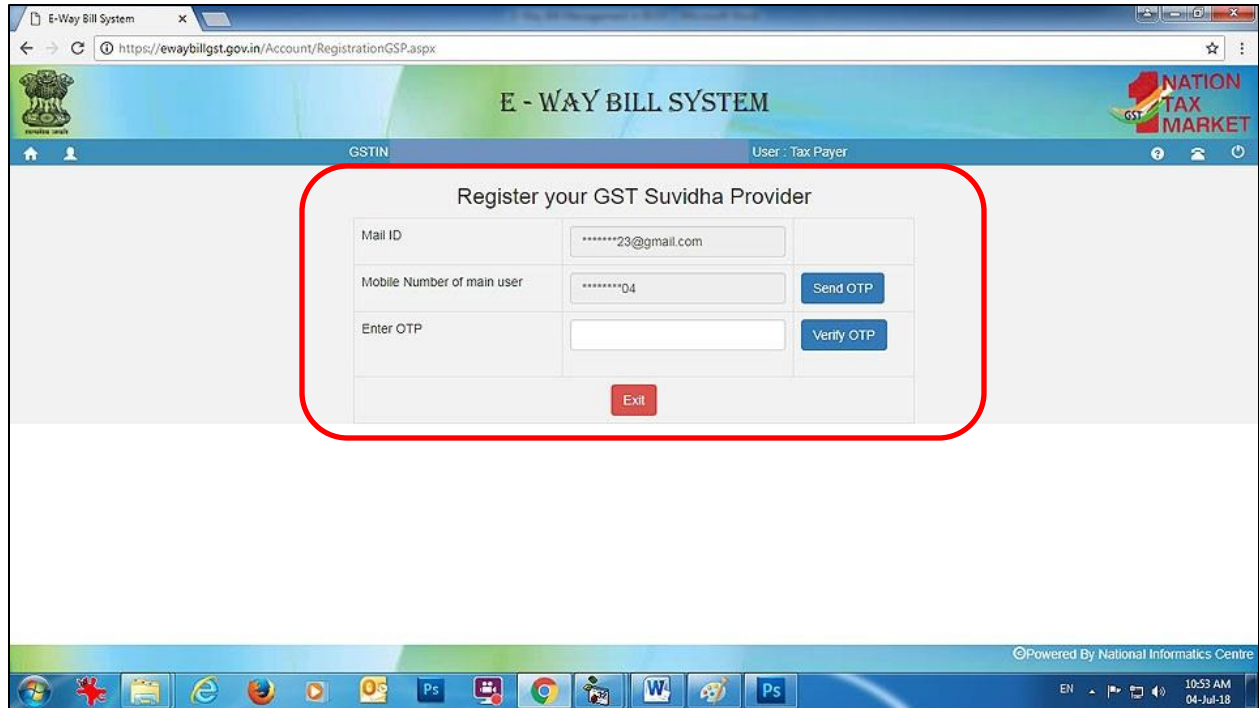

***Process to generate GSP User ID and Password is specified below in the document.**

Generation of GSP User ID and Password

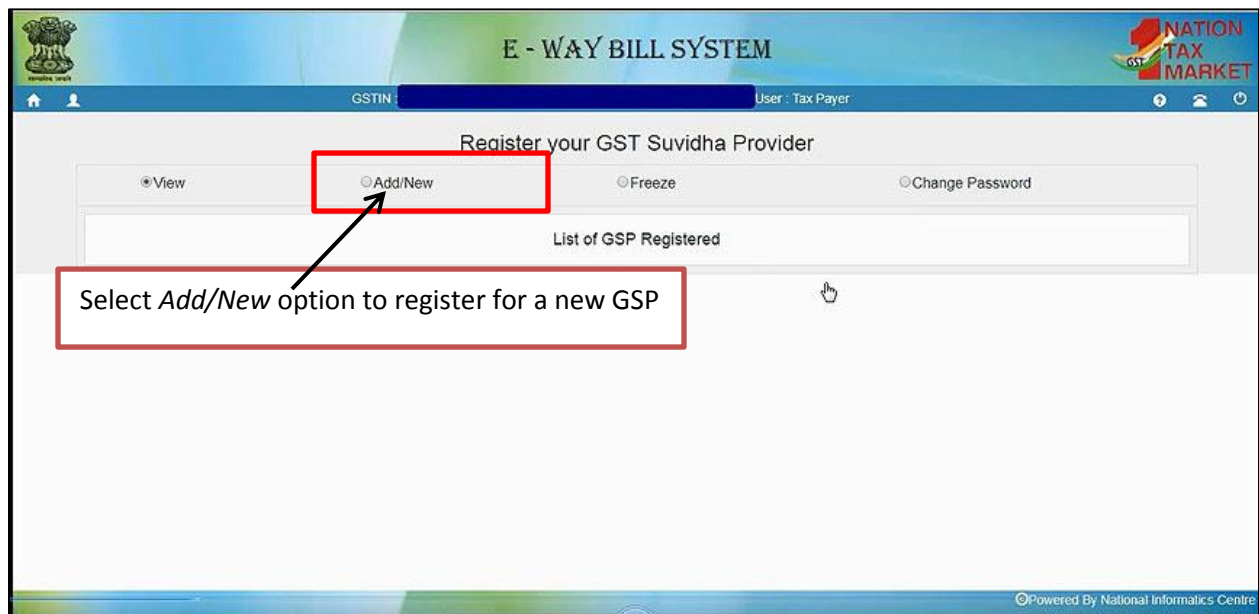

To generate GSP User ID and Password, you need to register for GSP on E-Way Bill Portal. To register for GSP on E-Way Bill Portal, login to E-Way Bill Portal. Given below is the screenshot of E-Way Bill Portal.

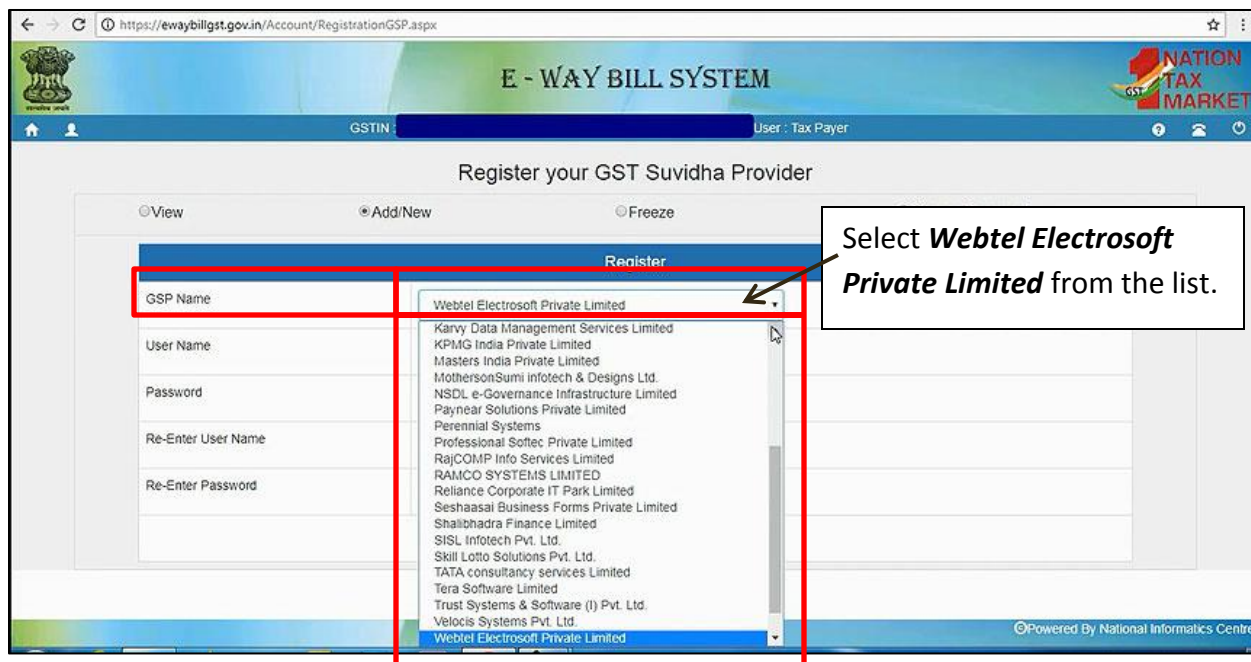

On E-Way Bill Portal, click *Registration* → *For GSP* option. On clicking *For GSP* option, a *Register your GST Suvidha Provider* window appears which will first authenticate you by sending OTP on your registered Mobile No. and only after the authentication, you will be allowed to register your GSP. Given below is the screenshot for authentication window:

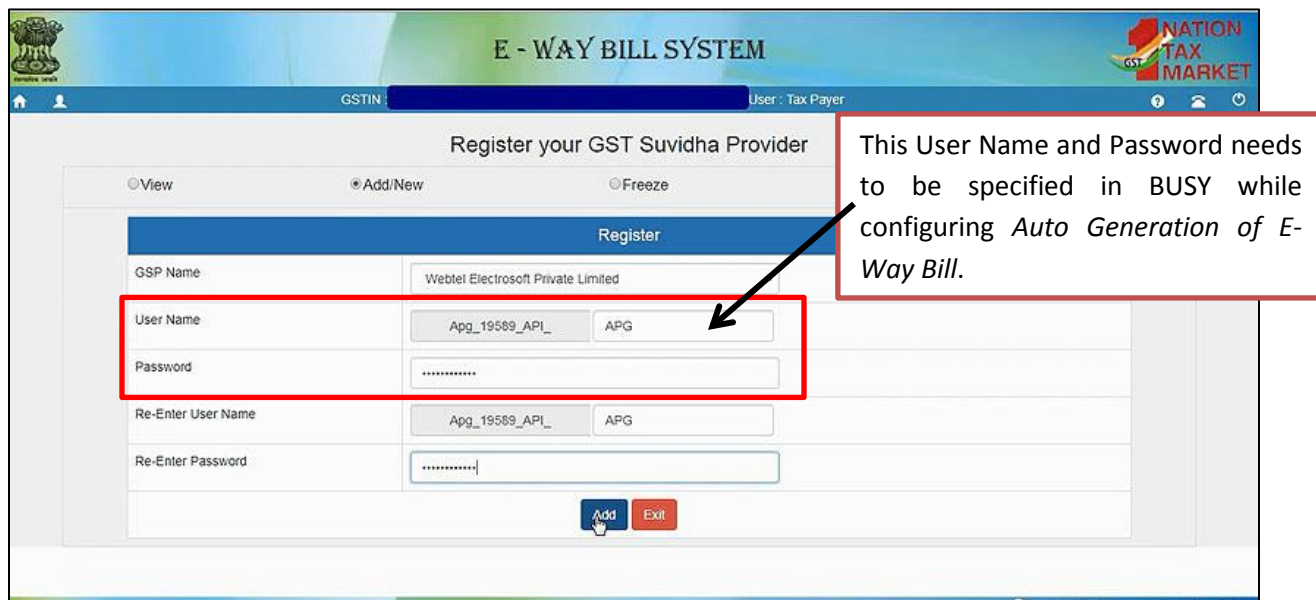

Your Registered E-Mail ID and Mobile Number will appear in respective fields. Click on Send OTP button to receive OTP on your registered mobile no. Enter OTP received and click Verify OTP button. On clicking Verify OTP button, a *Register your GST Suidha Provider* window appears. Given below is the screenshot of *Register your GST Suidha Provider* window.

Select *Add/New* option. On selecting *Add/New* option following window appears.

Under *GSP Name* data field, select **Webtel Electrosoft Private Limited** from the list. Create your User ID and Password as shown below.

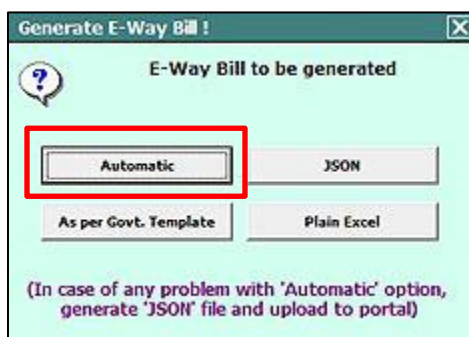

After specifying User Name and Password, click Add button to register your GSP.

Once GSP User Name & Password have been generated, specify the same in BUSY configuration and save. Once the configuration is saved, you are ready for automatic generation of E-way Bill.

Step 2: Enter Voucher and Generate E-Way Bill automatically at the time of saving

At the time of saving the voucher, an *E-Way Bill Generation* message box appears asking for Auto Generation of E-Way Bill/Generation or E-Way Bill file. Click *Yes* button for automatic E-Way Bill generation. On clicking *Yes* button, a *Generate E-Way Bill* window appears with various options. Given below is the screenshot of *Generate E-Way Bill* window.

Click *Automatic* button to automatically generate E-Way Bill. On clicking *Automatic* button, an *Automatic E-Way Bill Generation* window appears. Specify the required data in data fields and click *Ok* button. On clicking *Ok* button, an *Automatic E-Way Bill Generation* window appears with two options. Given below is the screenshot of *Automatic E-Way Bill Generation* window.

Click *Check Possible Errors* button to check for any error in data and rectify them, if any. It is recommended to always check for possible errors before proceeding with Automatic E-Way Bill generation. Once errors are rectified, click *View & Generate E-Way Bill* button. On clicking *View & Generate E-Way Bill* button, an *E-Way Bill Details* window appears showing the details for which the E-Way Bill will be generated. Given below is the screenshot of *E-Way Bill Details* window.

E-Way Bill Details

Esc=>Quit F2=>Done

Click this button to generate E-Way bill

Verify the details appearing in *E-Way Bill Details* window and click *Generate E-Way Bill* button. On clicking *Generate E-Way Bill* button, E-Way Bill will be automatically generated and E-Way Bill No. will be updated in voucher.

Automatic Generation of E-Way Bill for Multiple Vouchers

Since *Transport Details* are normally not known at the time of invoice generation, they can be updated later on for multiple vouchers in one go as they are mandatory for generation of E-Way Bill.

You can update Transport Details and auto generate E-Way Bill for multiple vouchers in one go using the option *Transactions* → *GST Misc. Utilities* → *E-Way Bill Management* → *Generate E-Way Bill* option. On clicking *Generate E-Way Bill* option, a *Generate E-Way Bill* window appears with various options. Select *Automatic* option. On selecting *Automatic* option, a *Select Vouchers for E-Way Bill* window appears. Given below is the screenshot of *Select Vouchers for E-Way Bill* window.

Select Vouchers for E-Way Bill

Select Voucher Details

Starting Date **27-07-2018** Ending Date **27-07-2018** Filter on MC ? **N** Select MC

Exclude Voucher already having E-Way Bill No. **Load List**

VchType	Voucher No.	Date	Amount	E-Way Bill No	Transport Name	GR/RR No.	GR/RR Date	Station
<input type="checkbox"/> Sale	7/2018-19	27-07-2018	3,36,000.00		Avtar Transport Ser...	1234001	27-07-2018	KARNATAKA
<input type="checkbox"/> Sale	8/2018-19	27-07-2018	1,12,000.00		Avtar Transport Ser...	1234001	27-07-2018	KARNATAKA
<input type="checkbox"/> Sale	9/2018-19	27-07-2018	2,95,680.00		Avtar Transport Ser...	1234001	27-07-2018	KARNATAKA

Select All **Update Transport Details (F4)** **Check E-Way Bill Details** **Generate E-Way Bill (F2)** **Print Invoice(s)** **Quit**

F4 => Update Transport Details / E-Way Bill No. Esc => Quit

In *Select Vouchers for E-Way Bill* window, specify following details:

- **Starting Date** – Specify Starting Date from which you want to view vouchers.
- **Ending Date** – Specify Ending Date till which you want to view vouchers.
- **Filter on MC** – Specify ‘Y’, if you want to apply MC wise filter in case you are maintaining more than one MC.
- **Select MC** – This data field gets active when you have specified ‘Y’ under *Filter on MC* data field. Select the required MC for which you want to load vouchers.
- **Exclude Voucher already having E-Way Bill No.** – Check the checkbox *Exclude Voucher already having E-Way Bill No.*, if you want to exclude those vouchers for which E-Way Bill No. is already generated.
- **Load List** – Click *Load List* button to load the vouchers for specified date range. On clicking *Load List* button, vouchers for specified date range will appear.

At the bottom of *Select Vouchers for E-Way Bill* window, following buttons are appearing:

- **Update Transport Details (F4)** – Click this button to update transport details. You can also use F4 shortcut key for the same. On clicking this button, an *Update Transport Details / E-Way Bill No.* window appears. Specify the data to be updated and click *Update* button.
- **Check E-Way Bill Details** – Click this button to check for errors in data, if any. Select the vouchers for which you want to check for errors in data and click *Check E-Way Bill Details* button. On clicking this button *Check E-Way Bill Details* window appears showing details of vouchers and errors in Red color if any. Correct the errors if found any.

BUSY

- **Generate E-Way Bill** – Once the Transport Details are updated and date is checked for possible errors, click this button to generate E-Way Bill for multiple vouchers. On clicking this button, an *Automatic E-Way Bill Generation* window appears. Specify the required data in data fields and click *Ok* button. On clicking *Ok* button, again an *Automatic E-Way Bill Generation* window appears with following options:
 - Check Possible Errors - Click this button to check for errors in data, if any.
 - Proceed with Automatic E-Way Bill Generation - Click this button to generate E-Way Bill automatically for selected vouchers.On clicking *Proceed with Automatic E-Way Bill Generation* button, E-Way Bill for selected vouchers will be generated automatically and E-way Bill No. will be updated in respective vouchers.
- **Print Invoice(s)** - Click this button to print invoice from here only with updated Transport Details and E-Way Bill No.

With this we complete Auto Generation of E-Way Bill from BUSY.
